Almalence Imaging SDK for Open Camera. License.

Before using the Almalence Imaging SDK for Open Camera ("SDK"), you must read and agree to these license terms and conditions ("Terms and Conditions"). IF YOU DISAGREE WITH ANY OF THESE TERMS AND CONDITIONS, YOU MAY NOT USE THIS SDK. By accepting these Terms and Conditions, you are representing and warranting that you have the authority to bind the party using the SDK and you and that party are collectively referred to as "you" or "your" in these Terms and Conditions. Any use by you of the SDK constitutes your acceptance of these Terms and Conditions.

Definitions

"Original Work" means the source code of a program or other work, libraries or programs in binary form, header files and documentation as originally made available by Almalence under this License, including any updates or upgrades to such programs, works, libraries or documentation made available by Almalence under this License, and that has been expressly identified by Almalence as such in the file(s) of such work.

"Modifications" mean any addition to, deletion from, and/or change to, the substance and/or structure of the Original Work, any previous Modifications, the combination of Original Work and any previous Modifications, and/or any respective portions thereof. When work is released as a series of files, a Modification is: (a) any addition to or deletion from the contents of a file containing Covered Work; and/or (b) any new file or other representation of computer program statements that contains any part of Covered Work.

"Covered Work" means the Original Work, Modifications, the combination of Original Work and any Modifications, and/or any respective portions thereof.

"Larger Work" means a work, which combines Covered Work or portions thereof with code not governed by the terms of this License.

License grant

Almalence hereby grants you the limited, revocable, non-transferable, non-sublicensable, worldwide, non-exclusive right to use the Covered Work subject to these Terms and Conditions. You shall only use the Covered Work in compliance with these Terms and Conditions and all applicable laws and regulations, including but not limited to, copyright and other intellectual property laws and privacy regulations. There are no implied licenses under these Terms and Conditions, and any rights not expressly granted to you hereunder are reserved by Almalence.

Allowed usage

You may use the Covered Work only for development and testing purposes for software applications. You may upload Covered Work or Larger Work to any number of devices required for

development and testing purposes, provided that such Covered Work or Larger Work should be removed from such devices once such development or testing is complete.

Restrictions

You shall not use or distribute Covered Work or Larger Work in any manner as part of any public or private software application.

You shall not decompile, reverse engineer or disassemble Covered Work or otherwise attempt to derive source code from the Covered Work.

You represent, warrant and covenant that your use of the Covered Work will not infringe any agreements or any third party rights. If your use violates such agreements or infringes upon such rights, Almalence may impose restrictions upon, or suspend your use of, the SDK and Almalence may take other legal action against you.

SDK Limitations

Almalence retains the right to incorporate into Covered Work functions intended to prevent unauthorized use of Covered Work, including but not limited to distribution of Covered Work of Larger Work. Almalence explicitly disclaims any responsibility for any harm, damage, malfunction of Larger Work or any other problems caused by such functions.

Disclaimer of Warranty

Covered Work is provided under this License on an "as is" basis, without warranty of any kind, either expressed, implied, or statutory, including, without limitation, warranties that the Covered Work is free of defects, merchantable, fit for a particular purpose or non-infringing. The entire risk as to the quality and performance of the Covered Work is with You. Should any Covered Work prove defective in any respect, You assume the cost of any necessary servicing, repair, or correction. This disclaimer of warranty constitutes an essential part of this License. No use of any Covered Work is authorized under this License except under this disclaimer.

Limitation of Liability

Under no circumstances and under no legal theory, whether tort (including negligence), contract, or otherwise, shall Almalence be liable to You for any direct, indirect, special, incidental, or consequential damages of any character including, without limitation, damages for lost profits, loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses, even if such party shall have been informed of the possibility of such damages.

Indemnification

You will indemnify and hold Almalence, its employees, agents, consultants, subsidiaries, partners, affiliates, and licensors harmless against any and all claims, costs, losses, damages, liabilities, judgments and expenses (including reasonable fees of attorneys and other professionals) (collectively, "Claims") that may arise from or are related to your (i) use of the SDK; (ii) alleged violation of these Terms and Conditions; (iii) alleged violation of any agreement, applicable law or regulation; or (iv) alleged violation of any third party rights, including but not limited to third party intellectual property rights. At Almalence's option, you will assume control of the defense and settlement of any Claim subject to indemnification by you (provided that, in such event, Almalence may at any time thereafter elect to take over sole control of the defense and settlement of any such

Claim, and in any event, you will not settle any such Claim without Almalence's prior written consent).

Miscellaneous

This License represents the complete agreement concerning the subject matter hereof. If any provision of this License is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable. Any law or regulation which provides that the language of a contract shall be construed against the drafter shall not be used to construe this License against Almalence.
